

The image shows the top toolbar of the application. It includes a search bar with the placeholder text "Tell me what you want to do". Below the search bar, there are several groups of icons: "Selection" (with a dropdown arrow), "Advanced" (with a dropdown arrow), and "Toggle Filter" (with a funnel icon). To the right of these are icons for "Refresh", "New", "Save", "Delete" (with a dropdown arrow), "Totals" (with a sigma symbol), "abc Spelling", and "More" (with a dropdown arrow). Further right are icons for "Find" (with a magnifying glass), "Replace" (with a double magnifying glass), "Go To" (with a right arrow), and "Select" (with a mouse cursor icon). On the far right is a "Text Formatting" section with icons for bold (B), italic (I), underline (U), text color (A with a dropdown), background color (brush icon with a dropdown), text alignment (left, center, right, justified), bullet points, numbered list, and table (with a dropdown arrow).
